

East Central District

Game Rescheduling Procedure and “No Show” Reporting

*A great deal of effort goes into developing the schedule for the thousands of games that are played each year in the East Central District. Rescheduling of those games impacts field scheduling, referee scheduling and obviously the many players, coaches, families and friends of each team. Rescheduling is discouraged, but when it is required, the **coaches from both teams involved are strongly encouraged to work collaboratively to ensure that the game takes place.** Please try to find dates, times and fields that work for both teams. Be patient and park your frustrations at the door, we adults are trying to give the kids as many chances to play soccer as possible.*

Rescheduling Games

Clubs/teams may attempt to reschedule games ONLY for the following reasons:

1. Game postponed due to inclement weather
2. Field deemed unplayable by the field marshal, referee or owner
3. Games conflicting with a ‘state league’ commitment
4. Games that conflict with tournaments
5. Games that conflict with school events
6. Other reasons that cause teams to be below the minimum number of players

Games should not be rescheduled due to a few players missing.

In the event a game has to be rescheduled, the new date should be determined at least seven days before the originally scheduled game date (to allow the referees and field schedulers advance warning). The rescheduled date must be during the EC League season.

Procedure

1. Coach initiating a change should call the opposing coach as soon as the change is identified as needed.

Mandatory: Call the other coach first as a courtesy

2. E-mail of the change request form with all of the details (copy of the EC Game Rescheduling form is attached on the next page)

Mandatory: Use e-mail to create a “paper trail” (*it’s much easier to sort out later*)

3. The home team club will manage the change. **All re-scheduled games must be approved by the home club field scheduler and referee scheduler.** If either scheduler is unable to reschedule then the game will be declared a ‘no contest’.
4. Please submit the following information to the home field club at least seven days before the scheduled date of the game;

Failed to show or Refused to Play

In the event a team either fails to show for a scheduled game, or refuses to play at the scheduled game time, the referee is required to complete the game report and note appropriately: e.g. TEAM XY failed to show or refused to play. The referee CANNOT declare a winner (or forfeit). The decision regarding the result of the game rests solely with the East Central Games Commissioner.
